

To get to our area take Hwy 16 out of Saskatoon to North Battleford and then take Hwy 4 north to Meadow Lake. From there take Hwy 55 east 11 km and then take Hwy 903 north and drive north 106 km to the intersection of hwy 965. There are road signs from there to go to North Haven Lodge. It's less than 10 km from the junction. We would meet you there and go to camp. It will take you about 4.5 hours to get to our area.
